

## Independent Primary Boys Basketball 2008

The primary schools regional trials were held in the Caloundra Indoor sports centre on Wednesday and Thursday 21-22 May 2008.

The first day involved inter-district games, with the Independent Schools team winning four of the six matches.

The results were as follows:

Independent 10 V Coastal 40  
Independent 15 V Redcliffe 19

Following the conclusion of these games a squad of players was selected to return for further trials on Thursday.
