REGIONAL COMPETITION

The Regional competition was held at Glasshouse Mountains Sports Complex. The day commenced at 9 o'clock and finished at 2.30pm. The girls played a round robin competition which consisted of 3 twenty minute games against the other districts. The girls put in an excellent effort in the hot conditions. The girls were in a range of grades from grade 9 to grade 12. The girls had an excellent soccer ability and this showed when we played the team who had National representatives in it going down 1 nil. Our girls never gave up and made the games entertaining.

OTHER COMMENTS

The coach, Carol Bachono was very happy with how the girls played and the effort they put into the training sessions. They displayed courtesy and a willingness to learn. They played to the best of their ability all day and showed some excellent soccer skills.

Congratulations to Kate Orkild and Amber Von Hoff who were chosen to play in the Sunshine Coast Regional team. Ilona Lefevre made the team as Shadow Goal Keeper.
